

# A new Integrated Sexual Health Service for Mid-Nottinghamshire

From 4 April 2016 all sexual health services for Mansfield, Ashfield and Newark & Sherwood are provided by a single integrated service called 'My Sexual Health'.

'My Sexual Health' brings together:

- Screening, testing and treatment of sexually transmitted infections and genital infections
- Contraception provision
- Access to a range of sexual health services in one consultation
- Clinics at sites across Mid-Nottinghamshire
- Clinics at a variety of times, including evenings and Saturdays
- Specialist care and treatment for complex conditions delivered at 'The Hub' at King's Mill Hospital
