

Wet AMD Referral Process (Ophthalmology)

V143 060718

Community Optometrists/GP's

All suspected wet AMD patients should be seen by Consultant or Medical Retina Specialist only.

Refer **any** suspected Wet AMD patients, irrespective of their current level of vision (vision 6/96 or better) to Sherwood Forest NHS Trusts as **urgent**:

- email to inbox sfh-tr.ppcophthalmology@nhs.net
or
- fax on 01623 672370 (only use if nhs.net account is unavailable)

Follow up with telephone call to: 01623 672555 - 672354

Do not send urgent Wet AMD referrals to the Community Triage Service (HealthHarmonie) or via the E-referrals system

Patients will be seen and treated within 2 weeks

Health Harmonie Team:

Refer any suspected Wet AMD referrals immediately refer via the generic email inbox:

sfh-tr.ppcophthalmology@nhs.net
